

OUTSIDE EMPLOYMENT FORM

CITY OF SEWARD

City Personnel Manual

1.6 Outside Employment

Employees of the City of Seward may take occasional or part-time jobs if there is no conflict with normal working hours; the employee's efficiency in his work is not hampered; or conflicts with the interest of the City do not arise. The employee shall advise his Department Head of the nature of the outside employment, hours involved, and any other appropriate information prior to acceptance of the outside employment. The Department Head shall then recommend to the City Administrator or appropriate authority whether the outside employment should be approved. Outside employment by City employees shall not be authorized unless first approved by the City Administrator or appropriate authority. In any situation wherein extra duty will be necessary in an employee's normal City work, such extra duty shall be in preference to his outside employment.
