This come and go event includes blood pressure readings, glucose checks, pulmonary & oxygen level tests and more. "Vial for Life" may join the event with details about how you can help emergency medical personal by keeping vital information easily visible in your home. Memorial Health Care Systems will provide a table of valuable information to be taken home. Everything is free and no appointments are required. Social distancing and masks are encouraged.

08 Book Review Bingo 6:30 p.m.

Are you looking for some new authors or book title suggestions? Come to the lower level for Book Review BINGO. The library staff will review book titles from the 2021 Notable Books list and the RUSA Reading List. Discover some lesser known gems as well as popular works. Enjoy a bowl of ice cream served by Friends of Seward Library while you play along. Prizes supplied by local businesses will be given out to multiple winners. It will be an opportunity to gather with other readers after months of limited programs.

10 10-Minute Fairy Tales | 10 a.m.

Families are invited to enjoy "10-Minute Fairy Tales" performed by the talented drama students at York College. They will act out several well-known childhood stories during the 1-hour show.
